September Programs are Here!

Dear Jordan,

Do you know someone who might be considering a career in Massage Therapy?

Fall has arrived and we are about to start our September Weekday and Weekend programs. There are a few spaces left in each session and we are asking for your support in referring potential students to our program.

Did you know that 70 percent of our students find their way to PTSM through word-of-mouth?

We feel so fortunate to have support from our staff, instructors and guest faculty. Please know that your successes, your satisfaction in the education at PTSM, your excellent bodywork abilities and what you share with others about your experience at PTSM are all extremely important. The valuable information you share helps influence potential students in their decision to choose PTSM for their education in Massage Therapy, and your thoughtful referrals are crucial to the continued success of our programs.

Do you have a client, a friend, a co-worker or someone else you know that is considering massage training? Please share with them our openings for the Fall Session. Currently, we are offering \$200 off tuition. If you meet someone that you feel would make a good candidate as a student at PTSM, please tell them about us as you give them this special offer.

When a potential candidate enters a program (or even whispers that they spoke to you) you will receive a \$75 Gift Certificate as a special thank you for taking the time to assist us. This certificate is good for retail items, part of a class fee or student clinic massage, or CEU training.

School's just around the corner and we would love to see full classes for each of the Fall programs. Jordan is happy to chat with potential students and fasttrack them through the application process.

Thank you again for all of your referrals. We greatly appreciate your support!
