

Roofing & Construction

Craftsmanship Is Our Calling. Quality Is Our Promise.

A Different Approach

With a reputation of true craftsmen, we approach everything from roofing to new home construction and remodeling with high standards and close attention to detail.

We understand that your home is a valuable investment. Not only should it be secure, but also a place to relax and enjoy. Leading with core values such as integrity, respect and hard work, our aim is to complete projects carefully and efficiently; minimizing inconvenience and maximizing beauty and value for our customers.

Roofing

HOPE offers residential and commercial new construction roofing, re-roofing and repairs.

Our skilled craftsmen are experts in evaluating your needs, designing solutions and providing high quality installations—installations built to withstand the toughest challenges of Pacific Northwest weather conditions, while showcasing the beauty of your home.

Composition • Metal PVC/Single Ply & Torch Down • Slate • Cedar shakes and shingles

Construction

Your home should be your sanctuary; a calming oasis which shelters you from the complexity of your busy world and an enjoyable space in which to relax.

HOPE offers a full line of new construction and interior and exterior remodeling services to help our customers get the most out of their homes.

Remodeling

Need to improve an existing space?

Remodeling can help you rediscover your home.

Whether to accommodate a changing lifestyle or to improve the appearance of your home, a custom remodel is an opportunity to turn your house into the home of your dreams.

If you'd prefer to work with an experienced, hassle-free roofing and construction company that offers quality craftsmanship, honest communication and excellent service, give us a call.

"Bravo, HOPE! The kitchen remodeling in my home was finished as promised in about six weeks, from demolition to completely done. Your crew showed up on time, was polite and neat. The work was done very beautifully and professionally. I'm thrilled with my new kitchen and recommend your company to anyone. Thank you!" —Gina, Port Ludlow

"We wanted to let you know your crew did an exceptional job on the roof, it really looks great. We are very pleased the way your crew conducted themselves on the job and thank them for their hard work and effort." —Sylvia & Lyle, Poulsbo

"It is a pleasure to install electrical systems for Hope Construction. Hope has a consistent focus on quality and aesthetics, regardless of whether the project is a custom or spec home. When a Hope Construction home is completed, we're proud to stand behind a quality product with them, as has been our practice since 1974." —Hans Frederickson, Frederickson Electric, Inc.
