

Dear Homeowner:

Thank you for your interest in HOPE Roofing & Construction. We invite you to review the enclosed materials to learn more about our company and services.

There are two cornerstones that define HOPE: Our work & our word.

For the past 30 years, HOPE Roofing & Construction has offered local homeowners value and security through superior craftsmanship and a promise of quality. Leading with core values such as honesty, respect and hard work; we complete jobs carefully and efficiently with the aim of minimizing inconvenience and maximizing value for our customers.

Our reputation for excellent work and satisfied customers is proof that, for the craftsman who leads with integrity, there is no gap between form and function, art and shelter, word and deed.

Please don't hesitate to put our knowledge and experience to work.

We know you have specific questions concerning your project and we are pleased to provide the answers you require.

Rest assured that our estimators are practiced at evaluating your needs, designing solutions and providing high quality installations. Our staff will work with you and guide you through the process of selecting the best materials and products to fit your project's needs and budget.

Our goal is to help you get the most out of your home, whether you're increasing curb appeal, safety, or simply making changes to create a more relaxing and enjoyable space.

Thank you again for your interest in HOPE. We look forward to working with you.

At your service,

Jim Eades, President
HOPE Roofing and Construction

P.S. If you haven't done so already, please visit www.hoperoofingandconstruction.com. The website includes a full gallery of our work, more information about our services and helpful resources for homeowners. You're also invited to stop by our offices in Port Townsend and Poulsbo.
